I like the Eagle quote!

Let's get it fixed. But please make sure that the warranty is in writing.

Thanks John!

Subject: Element Quotes

Good Morning Jim,

I wanted to inform you that I was calling this morning to different Lock Smith and different Mechanics for quotes and here is what I was able to get.

1. Budget Locksmith-\$350 and they come in person to take care of it but no warranty 2. Beverly West-side ( Lock & Keys)- \$300 and they also come in person but no warranty 3. Otis Mechanics shop - They don't do that type of

work 4. Union 76 Gas Station ( Mechanics on site)- they need to see they vehicle and it has to be tow to them under owner expense. So no Quote!

5. Honda of Hollywood Services- \$757 with a 12 month warranty and they have tow trucks companies that they can inform us to services there.

Please advices
